

stephanie liu

product designer + illustrator

education

Rochester Institute of Technology (RIT) • Rochester, New York
New Media Design • Expected Graduation 2021
3.7 GPA • Honors Program • Dean's List

experience

Amazon Web Services (AWS) • Remote UX/UI Design Intern

Seattle, WA • 3 months, May - July 2020

Collaborated with a product manager and team of engineers to take a feature from brainstorm to development. Recruited, planned, and moderated a series of usability tests with external customers.

RIT Magic Spell Studios • UX/UI Designer/Research Assistant

— Cortera Research Project

Rochester, NY • 9 months, February - May, August - December 2020

Worked on a team to create innovative sales flows for the software company Cortera. The job involved ui/ux design, research, and interaction design.

— Ex-Out Research Project • Department of Homeland Security

Rochester, NY • 10 months, February - June, August - December 2019

Worked on a team led by two of my professors on a government grant that involved designing a live app and website to help combat violent extremism.

DIS Summer Study Abroad Program - Graphic Design

Copenhagen, Denmark • 2 months, June - August 2019

Worked on a long-term prospective campaign for the Copenhagen Jazz Festival.
